Authorization for this examiner's amendment was given in a telephone interview with Alicia M. Choi on July 31, 2006.

The application has been amended as follows:

Claim 35:

- line 9, delete "a" and insert "said" before "plurality"; and
- line 10, delete "a" and insert "said" before "communication".

Allowable Subject Matter

a database means configure to maintain a record of said plurality of agent entities and their respective location within said communication network system; and

a processing means configure to select a specific one of said plurality of agent entities, based on data maintained in said record and a temporary network address of a requesting terminal node as recited in claim 15

Claims 16-26 are allowed because they depend on allowed claim 15.

Claims 1-14 are allowed for reasons given in the previous action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
